If you're looking for a good deal, this affordable business projector is your answer. Capable of producing an amazing beyond Full HD resolution, your images remain crystal clear even for large projections. On top of features such as built-in Wi-Fi, home screen interface, and auto search function, a long lamp life and lasting maintenance cycle help you keep your business running smoothly and cost-efficiently. With ergonomic features such as auto-power on and source search, this projector delivers smooth and high-contrast presentations whenever and wherever you need.

Key Selling Points

- Impressive image quality
- Seamless connectivity and usability
- Essential cost savings

Product Features

Impressive image quality

Witness large, quality images with beyond Full HD resolution and incredible brightness. Deliver a dynamic viewing experience with WUXGA resolution image display without distortion in video, Blu-ray and other graphic-intensive media. The projection images remain razor sharp and vivid, even on larger screens. Add brilliance to your presentations. Boasting stunning brightness and a high contrast ratio, this projector enables you to project beautiful, well-defined images wherever you are, regardless of ambient light.

Seamless connectivity and usability

Enjoy great convenience from ergonomic features. Deliver powerful presentations anywhere in the room. The easy-to-use sliding horizontal keystone adjuster means screen corrections can be done quickly, easily and accurately, even in a limited space. Advanced connectivity features mean convenient and hassle-free projections for your presentations. With a wide-ranging interface, you can choose from a variety of connection methods including HDMI, VGA and LAN. In addition, this projector is equipped with two HDMI ports, one of which is MHL-enabled, for greater digital compatibility. Enjoy enhanced connectivity and flexibility with in-built Wi-Fi connectivity. Display images from two different sources side by side on the same screen for a more effective presentation.

Essential cost-savings

Minimize costs with an impressive long-lasting lamp life and maintenance cycle in eco-mode. With a long lamp life in eco-mode, the frequency of costly lamp replacements is reduced, saving you time and money. With the lamp cap located on the upper side of the projector, you can change lamps easily even if the projector is installed on the ceiling. Lamps can be replaced quickly without tools and dismantling of the projector from the ceiling mount.

Main Specifications

Product Description	Epson EB-U04 LCD projector
Device Type	LCD projector - High Definition 1080p
Brightness (White)	3000 lumens
Brightness (Colour)	3000 lumens
Contrast Ratio	15000:1 (dynamic)
Resolution	WUXGA (1920 x 1200)
Native Aspect Ratio	16:10
Colour Support	1.07 billion colours
Bulb type	200 Watt
Bulb life cycle	Up to 5000 hour(s) / up to 10000 hour(s) (economic mode)
Video Input	RGB, S-Video, composite video
Speakers	Speaker(s) - integrated
Power	AC 120/230 V (50 - 60 Hz)

Power Consumption Operational	277 Watt
Dimensions (WxDxH)	29.7 cm x 24.4 cm x 7.7 cm
Weight	2.6 kg
Manufacturer Warranty	2 years warranty

Extended Specification
